doi: 10.32629/jai.v5i2.579

We would like to express our heartfelt gratitude to the reviewers of the journal *Journal of Autonomous Intelligence* for their invaluable contribution to our research in the field of autonomous intelligence. The insightful comments and constructive criticisms provided by the reviewers have greatly improved the quality of our manuscript.

Their meticulous attention to detail and their willingness to provide feedback and suggestions have been instrumental in shaping our research into a more comprehensive and robust study. We appreciate their time and effort in reviewing our work. Regardless of whether the articles they examined were ultimately published, the editors would like to express their appreciation.

We feel privileged to have had the opportunity to work with such exceptional reviewers, and their expertise and professionalism have been an inspiration to us. We look forward to continuing our collaboration with these esteemed reviewers, hope that our work will contribute to further advancements in the field of autonomous intelligence with emphasis on artificial intelligence and robotic self-learning.
